(951) 232-4268 (cell)

FOR IMMEDIATE RELEASE

CALTRANS GOES TO THE FAIR!

San Bernardino County – And we want to see you there! Caltrans will have a booth at the San Bernardino County Fair with employees available to provide handouts and discuss current and upcoming projects on Interstate 15 and other High Desert state highways. Included in that information will be handouts for the upcoming Devore 2 project that will effect traffic on Interstate 15 in the Cajon Pass beginning late-summer 2006.

The event is at the San Bernardino County Fairgrounds located at 14800 Seventh Street in Victorville from May 5 through May 14, 2006.

Caltrans is making a proactive effort to keep the public informed about our work and how it keeps your state highways maintained and traffic flowing. In doing so we want you to remain safe when you see us on the road. Information supporting the “Slow for the Cone Zone” and “Don’t Trash California” campaigns will also be available.

For more information about other state highway work, please go to our website at www.dot.ca.gov/dist8 and go to “Press Releases”. You may also call our Public Affairs office at (909) 383-4631.
